

Role	Financial Controller
Location	Egham
Salary	Competitive

Background

The Company:

Isosceles is a business accounting consultancy providing bespoke strategic and operational accountancy and finance expertise to UK and international companies. We work closely with our clients, including fast growing technology companies, to help them succeed.

Right now, we're looking for a qualified accountant to join us as a Financial Controller. You'll be technically strong, naturally analytical and a confident communicator. You'll play a key role across a portfolio of clients, so you'll need to be professional, influential and credible. As a senior professional, you'll lead trainee and junior accountants across virtual teams to ensure your clients receive a cost-effective, high quality, timely and accurate accounting service, so you'll be able to co-ordinate, develop and grow your team members. As an ambitious accountant, you'll see this as your next step towards Finance Director.

Role Purpose and Key Responsibilities

About us.

Exactly what you'll do on a day to day basis will be influenced by your clients, but typical responsibilities include:

Develop and maintain excellent working relations with clients and their external partners.

- Provide sound pragmatic, commercial and professional financial information, advice and support directly to senior client stakeholders.
- Provide and review monthly management accounts, ensuring they are accurate, commercially informative and professionally presented.
- Manage the budget process.
- Prepare profit and cash-flow forecasts.
- Ownership of client deliverable timeframe.
- Manage the compliance processes including VAT, Corporation tax and PAYE.
- Validation of balance sheet.
- Manage the production of statutory accounts.
- Oversee/ support audits.
- Manage the process for tax compliance and advice, liaising with tax advisers as necessary.
- Oversee payroll delivery, which may also be provided by Isosceles.
- Monitor and ensure client profitability, satisfaction and account development.

Isosceles

About you

- Fully qualified. For this vacancy we prefer ICAEW.
- Post qualification commercial experience, ideally with some exposure to the technology or a similar industry.
- Highly numerate and analytical.
- Excellent systems knowledge and capability, including Excel.
- Experience in preparing statutory accounts.
- Comfortable with financial reporting and regulatory requirements.
- Able to make sound, commercial and workable decisions, act with integrity, consistency and clarity.
- Credible, relatable, professional.
- Some experience of managing and coaching a team.
- Comfortable working at pace and to conflicting deadlines.
- Driver. Able to travel independently to client sites as required.

About our Values - i.e. what's important to us, and how we like to do business. You can find out more on our website.
